

e-Government Authority

The 4th e-Government Annual Meeting

Theme: Ensuring Compliance to e-Government Policies,
Laws, Standards and Guidelines for Secure Electronic Data
Exchange

📅 6th-8th February, 2024

📍 AICC | Arusha

Meeting Agenda

The massive task that we are going to do with great strength is to make ICT systems in public institutions communicate with each other, but they also should have international standards.

———“———

Hon. Dr. Samia Suluhu Hassan
President of the United
Republic of Tanzania

09 June 2023

#kazi iendeleee

Welcome Note from Director General

The e-Government Authority (e-GA) was established in 2019 under the e-Government Act, No. 10 of 2019.

It's main role is to coordinate, oversee and promote e-Government initiatives as well as enforce e-government-related policies, laws, regulations, standards and guidelines in public institutions.

The Authority's vision is to be recognized as a leading Institution for innovation in facilitating the use of IT to improve the provision of services to the public. This vision has become a pillar for the Authority in ensuring that it carries out its primary responsibility of managing the use of ICT in the government to facilitate the work within the government and improve the provision of services to the public.

The e-GA actively supports public institutions in implementing e-Government efforts

by offering training and collaborating with stakeholders

like the Zanzibar e-Government Agency (e-GAZ), to ensure e-government initiative is strengthened throughout Tanzania.

Additionally, the Authority provides advice and technical support to public institutions, inspecting, reviewing, assessing, and advising on the state of security of ICT systems and infrastructure, as well as building collaborative and sectoral ICT systems and infrastructure in public institutions.

The 4th e-Government Annual Meeting is coordinated under Objective F of e-GA's rolling strategic plan for 2020/2021–2025/2026. During these three days of this meeting, topics related to e-government will be presented by ICT gurus from various public institutions.

Participants will have the opportunity to discuss the best

way to implement the efforts of e-government, classify challenges, and how to deal with those challenges.

Also, they will have the opportunity to ask questions and receive answers during the discussion from the presenters.

This year's meeting (4th Annual) is guided by the theme "Ensuring Compliance to e-Government Policies, Laws, Standards and Guidelines for Secure Electronic Data Exchange"

I would like to cordially welcome you all to the 4th e-government Annual Meeting and wish you good participation in all three days.

A handwritten signature in black ink, appearing to read 'B. Ndomba'.

Eng. Benedict Ndomba
Director General, e-GA

PRESENTERS/PANELISTS BIOGRAPHY

Eng. Benedict B. Ndomba

Is a Director General of e-Government Authority.

Prof. William Mwegoha

Prof. William J.S. Mwegoha, Ph.D. He is currently Vice Chancellor Mzumbe University. Doctor of Philosophy in Environmental Science (Environmental Chemistry), Florida A&M University, USA. Prof Mwegoha is a Registered Environmental Expert (EIA) with National Environmental Management Council (NEMC) and a Member, Institution of Engineers Tanzania.

Mr. Abdul-Razaq Badru

He is the current Executive Director of the HESLB, and secretary to the Board of Directors with over 20 years of extensive professional experience in business management and business development across the public, non-profit and commercial sectors in the Eastern and Southern African regions. Over the years, he successfully managed projects under DFID, USAID and multilateral institutions including the World Bank (WB).

Mr Badru holds an MBA in International Business Management from the Indian Institute for Foreign Trade (IFFT), New Delhi-India and a BA (Sociology) from University of Dar es Salaam in Tanzania. He holds a Postgraduate Diploma in Leadership from Aalto University Executive Education (AEE), Finland/Uongozi Leadership Institute in Tanzania. He is a certified director by the Institute of Directors in Tanzania (IDoTZ), and seats in a number of boards in the public, services and private sectors.

Prof. Ing. Anael E. Sam

Prof. Sam is the Chairman of the Smart electronics Systems Development (SeSDev) and Associate Professor of Information Technology at the Nelson Mandela African Institution of Science and Technology (SeSDev). At the NM-AIST, Prof. Sam oversees the development and management of information systems. Prof. Sam is also a lecturer at the School of Computational Communication Sciences and Engineering teaching Advanced Applied Electronics, Cybersecurity, Wireless and Mobile Communication Systems. Prof. Sam also supervises students at the master's and PhD level. Prof. Sam serves as the deputy coordinator of the NM-AIST consultancy bureau. Prof. Sam received a doctorate in Electronics Engineering with a specialisation in effective radio frequency utilisation for optimum communication from the Slovak Technical University in Slovak Republic. He also holds MSc and BSc in Electronics Engineering from the Slovak Technical University, in Slovak Republic.

Dr. Jaha Mvulla

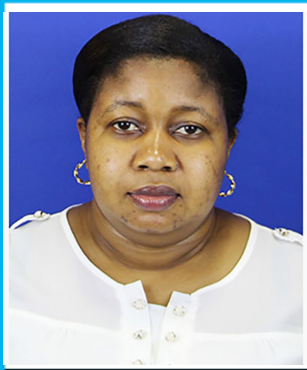

Is currently serving as a Manager for Research, Innovation and Training at e-Government Authority (e-GA). He received the B.Sc in Computer Engineering and Information Communication Technology Engineering from University of Dar es Salaam in 2007. Obtained the M.S. and Ph.D. degrees from the Department of Information and Communication Engineering, Donnguk University, South Korea, in 2014, and 2019, respectively. From 2007 to 2010, he was a Senior Engineer with Vodacom, Tanzania and from 2010 to 2012 as IT Manager with Presidential Trust Fund, Tanzania. As a senior researcher and expert in wireless technologies, Dr. Jaha Mvulla has presented and published multiple scientific papers in various international conferences and Journals. He is an active IEEE Member.

Dr. Elizaberth Mkoba

Elizabeth Mkoba (PhD) is a Lecturer in the School of Computational and Communication Science and Engineering, Nelson Mandela African Institution of Science and Technology, Tanzania. Elizabeth received her BSc. Degree of Computer Science from the Osmania University, India in 1997. Her MSc. Degree of Computer Science from the Central South University, China, in 2003. She received Master Degree of Business Administration (MBA) from the Open University of Tanzania, in 2008. Elizabeth has a PhD in Information Technology Management from the University of Johannesburg, South Africa, in 2018. Postdoctoral Research Fellow the University of Johannesburg, South Africa, in July 2020. Udon School of Economics and

Dr. Florence Rashidi

Dr. Dr. Florence Upendo Rashidi is an accomplished lecturer and academic leader currently serving as the acting principal of the College of Informatics and Virtual Education at the University of Dodoma. With a background in Electronics and Telecommunication Engineering, she has 10 years of experience in teaching, research, and consultancy. Her areas of expertise include Wireless Optical communication, Security, Networking, Machine Learning, and ICT research. Dr. Rashidi holds a Ph.D. in Computer Science and Technology from Hunan University, China, a Master of Engineering in Communication and Information Systems from Wuhan, China, and a B.Sc. in Computer Science from Makerere University, Kampala, Uganda. She is also a member of the Organization for Women in Science for the Developing World (OWSD). Beyond her academic accomplishments, Dr. Rashidi is actively involved in promoting gender equality and empowering women in the field of science.

Dr. Catherine Mkude

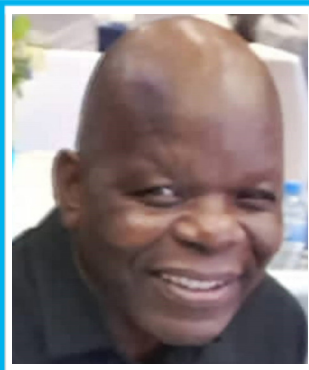

Dr. Catherine Mkude is the Director of the Institute of Educational and Management Technologies at the Open University of Tanzania. At the Institute, Dr Mkude oversees the development and management of information systems, ICT infrastructure and the adoption of e-learning solutions. Dr Mkude is also a lecturer in the Department of Mathematics and ICT at the Open University of Tanzania. Dr Mkude received a doctorate in E-Government with a specialisation in strategic planning and implementation from Koblenz University in Germany. She also holds an MSc in Business Information Systems Management from Middlesex University in the United Kingdom and a BSc in Computer Science from the University of Dar es Salaam in Tanzania.

Mr. Benjamin Dotto

Mr. Benjamin Dotto is the Director of Infrastructure and Operations at the e-Government Authority under the President's Office - Public Service Management. He is responsible for overall planning, designing, and overseeing the development, implementation and delivery of e-Government infrastructure and technology services.

Mr. Joash Ezekiel Nyitambe

Mr. Joash Ezekiel Nyitambe is the Head of ICT Unit in the Ministry of Water. Mr. Nyitambe oversees ICT activities at the Ministry including development and management of information systems, ICT infrastructure, and adoption of e-Services. Mr. Nyitambe initiated and supervises the development and implementation of sector shared systems including Unified and Integrated Maji Information System (MAJIIS); Water Sector Projects MIS; Water Resources Operational Decision Support System (ODSS); and Water Laboratory Information System (LIMS). Mr. Nyitambe is a Geo-ICT professional who holds a Master of Science Degree in Information Technology and Management from the Avinashilingam Deemed University, Tamil India, and Professional Master Degree in Geoinformatics with specialization in Development and Maintenance of Geographic Information Systems from ITC, Enschede, The Netherlands.

Mr. Raphael Josephat Rutaihwa

Is an Assistant Commissioner of Police. Manager of Legal Services Unit at the e-Government Authority (e-GA). Mr. Raphael is an Advocate and Commissioner for Oaths currently holds a Master of laws in Corporate and Commercial Law and Bachelor of Laws both from the University of Dar-es-salaam. He is certified in crime scene investigation in capital offences-German Federal Criminal Police office, and in international peace keeping -UNAMID 3 Police pre-deployment course. Previously, He worked with Tanzania Police Force as a District Police Commander, as well as Public Prosecutor at Kisumu RM's Court.

Mr. Walter Ndesanjo

Mr. Walter Ndesanjo is a head of ICT Infrastructure section at the Ministry of Health. At the Ministry oversee the development, installation and implementation ICT initiatives within the Ministry and Referral Hospitals from Regional to National Level, also Walter has over 14 years of experience in digital health, particularly in project management, infrastructure, and mHealth systems enabling data-driven decision-making at the facility, District, Regional level as well as the ministerial (National) level.

Mr. Walter received an International Advanced Diploma in Computer Studies (IADCS) from London Metropolitan University and a PGDCS in computer science from Kampala International University also COBIT 5 and ITIL Certificate in IT Service Management (Enterprise Architecture) from Koenig college India..

Eng. Stephen M. Wangwe

Eng. Wangwe is the Director of Communication Safety and IT Security under the Ministry of Information, Communication and Information Technology. Engineer Wangwe has experience in the cybersecurity field for more than 16 years among which 7 years are at managerial/leadership roles. Engineer Wangwe is a Professional registered engineer in Electronics and Communication, majored in Project Management and with specialized skills in the area of cybersecurity. He has among other duties worked on preparation of the AU Convention on Cybersecurity and Personal Data Protection (Malabo Convention) of 2014 and the SADC Modal laws on Cyberlaws of 2010; Ratification of the EAC Protocol on ICT Networks by the URT; Championed the e-Schools, Cyberlaws, e-Justice, NPKI and Video Conference Projects; National Representative in Negotiation team for UN Convention on countering use of ICT for Criminal Purposes etc.

Mr. Darius D. Luhaga

Mr. Darius D. Luhaga is the Manager of Cybersecurity Coordination at Tanzania Communications Regulatory Authority (TCRA); at TCRA, he oversees, supervises and supports the Tanzania Computer Emergency Response Team (TZ-CERT) operations. Mr Darius holds a Master of Science in Computer and Communication Networks from Telecom SudParis in France and a Bachelor of Science in Computer Science from the University of Dar es Salaam (UDSM). Mr. Darius has been working in the field of Cybersecurity for the past 10 years now, mainly focusing on the areas of Incident Response, Threat Hunting, Vulnerability Assessment & Penetration Testing, Malware analysis and reverse engineering. He is the secretary of the Technical Advisory Committee (TAC) of the TZ-CERT, a member of the e-GA Government Security Operation Centre (GSoC) TAC, and a member of the SADC CERT Task Force. Currently, He is supervising the National Public Key Infrastructure (NPKI) Project.

Mr. Ibrahim Toure

Mr. Toure is the Assistant Director of Government ICT Policies and Standards at the President's Office, Public Service Management and Good Governance. Mr. Toure oversees the development, monitoring, evaluation and review implementation of e- Government and e-Security policies, legislations, guidelines, manuals and strategies. His professional experience in the field of Information Technology spans for more than 17 years in a diverse range of industries in both public and private sector. Prior to his current role, Mr. Toure served as Acting Head of ICT at Livestock Training Agency (LITA) where he managed ICT infrastructures and systems. His experience in a private sector includes working for Security Group Africa as ICT Manager and working for The Hibbert Group as a Technical Analyst. Mr. Toure holds a BSc. In Information Sciences and Technology from Temple University in the United States and Msc. In Decision and System Sciences from St. Joseph's University in the United States.

Mr. Sylvani Shayo

Mr. Sylvani Thadeus Shayo, CISA is a director responsible for Compliance and Security Management at the e-Government Authority. He oversees the Security Management, Projects and Initiatives Management as well as the Standards and Compliance.

Sylvani's experience spans across the Banking, Telecom and Consulting fields. He is passionate in ICT Governance, Risk and Compliance (GRC) and is a Certified Information Systems Auditor (CISA).

Neema Michael Mwanda

Neema Michael Mwanda is a Director of Case Management and Coordination of Investigation at National Prosecutions Services (NPS). She served as a Board member of Tanzania Atomic Energy Commission from 2015-2019, Board Member of National Prosecutions Service Tender Board from 2019-2022, Secretariat Team Member of Presidential Commission on Criminal Justice Reforms from February 2023 - July 2023, as well as a chairperson of National Prosecutions Service Employment Committee from 2020 to date..

Mr. Erick Kitali

Since 2015, Mr. Erick Kitali, Director of ICT at President's Office – Regional Administration and Local Government has overseen the design, development, and deployment of critical nationwide systems (PlanRep, Tausi, FFARS, GoTHOMIS, MUSE, Selections, Wezesha App) used by local government across various sectors (education, health, finance to mention a few). Leading local government ICT for a decade, he's spearheaded countrywide systems adoption, connecting more than 30 thousand facilities and managing vital resources (financial, medical supplies and human resources). He is instrumental in bringing integrated financial management, healthcare data management, and revenue collection systems to Tanzania's local governments, impacting millions. Under his leadership, ICT infrastructure connects thousands of government entities, enabling efficient information exchange and centralized systems adoption. BSc and MSc degrees. He is also a member of various boards and National committees bringing diverse skills and knowledge to the table.

Mr. Raymond Machary

Mr. Machary is a distinguished professional currently serving as the Ag. Head of ICT at the Occupational Safety and Health Authority (OSHA). With an impressive career spanning over 18 years within the government sector, Mr. Machary has held various key positions in the government, contributing significantly to the enhancement of technology and digital solutions.

He has been recognized as a pivotal figure in the transformation of the Jakaya Kikwete Cardiac Institute (JKCI) as the project coordinator, overseeing the successful transformation to digital solutions. He is well known as a guru in project management, certified as a project management professional by the Project Management Institute (PMI). He also holds a master's degree in project planning and management, along with additional qualifications in MSc. Finance and Investment as well as MSc. Information Technology Management.

Mr. Frank Mgunda

Mr. Frank B. Mgunda is the Acting Head of Information Communication and Technology of the Ministry of Agriculture. At the Ministry, Mr. Mgunda Contribute to the development of Information Management strategy and policies, Design and implement short- and long-term strategic plans and roadmaps to meets existing and future requirements. leading by translating business and strategic objectives to technology solutions.

Mr. Mgunda, received a bachelor degree in Information Technology with a specialization in Networking and System Analyst. also holds a Diploma in Computer Science at the University of Dar es Salaam in Tanzania. Mr. Mgunda has taken part in some projects, Data and Information Communication of the Southern African Development Community (SADC) under Knowledge and Information Sharing Management (KISM).

Samson John Mwela

• • •

Samson John Mwela, ICTPro is a Director of Knowledge Management at Tanzania Commission for Science and Technology (COSTECH) who is responsible for ICT, publication, documentation and dissemination of STI knowledge products. Prior to his current position at COSTECH, he served as an interim Director General of Tanzania ICT Commission (April, 2016- March, 2022) and Assistant Director of Telecommunication services at the Ministry responsible for Communications (April 2012- March 2022). Samson is a registered ICT Professional by the Tanzania ICT Commission holding MSc degree in Telecommunications Engineering and MSc degree in Signal Processing Engineering from Blekinge Institute of Technology (BTH), Sweden.

Mr. Ricco Boma

• • •

Mr. Ricco is a Technology and Innovation expert with over 19 years in Software, Systems and Network technologies. He received the B.Eng in Communications Engineering and minor degree in Economics from Carleton University, Canada and obtained the M.Eng. in Electrical and Computer Engineering from Concordia University, Canada. He worked as Systems Manager at Concordia University, Canada and later as Projects Technical Lead Engineer at RedPrairie implementation Services, U.S and Canada. He is currently a Director of Services Management at e-Government Authority- Tanzania. His specialty includes Software and Systems design and development, Service provider Networks, Network performance analysis and Emerging technologies.

Eng. Albert Dohoyi

• • •

Eng. Dohoyi is the Director of Operations, Research and Development at Universal Communications Service Access Fund (UCSAF) of Tanzania. He is an engineer, graduated in 2004 in Computer Engineering and Information Technology who served as billing administrator, OMC administrator and later Manager: Managed Services at Vodacom (T) Limited since 2004 up to 2012 before joining UCSAF. His current responsibilities include supervising consultants who support project implementation, conducting research into and keep abreast of developments in rural and urban underserved areas regarding communication services and information technologies. Eng. Albert has taken part in several projects including World Bank Rural Connectivity Infrastructure Project (RCIP) and Digital Tanzania Project – Ensuring construction of 758 towers as well as upgrade of 304 existing sites. He is currently serving as a Board Member at Information and Communication Technology Commission (ICTC).

The 4th e-Government Annual Meeting

Tuesday | 6th February 2024

Tuesday | 6th February 2024

| TIME | EVENT | RESPONSIBLE |
|---------------|---|-----------------------|
| 07:00 - 08:30 | Registration, Breakfast and Exhibitions | All |
| 08:30 - 09:00 | Guest of Honour Arrival at Arusha Regional Office | Hon.Minister- POPSMGG |
| 09:00 - 09:30 | Guest of Honour Arrival at AICC and Visit Exhibitions | High Table |
| 09:30 - 09:40 | East Africa & Tanzania National Anthems | All |
| 09:40 - 10:00 | Introduction and Welcoming Remarks | DG- e-GA |
| 10:00 - 10:50 | Greetings from Sponsors | Sponsors |

The 4th e-Government Annual Meeting

Wednesday 17th February 2024

Wednesday | 7th February 2024

| TIME | EVENT | RESPONSIBLE |
|---------------|---|-------------|
| 07:00 – 08:30 | Registration, Breakfast and Exhibitions | All |
| 08:30 – 08:40 | Universal Health Insurance | DG, NHIF |

Session Two: e-SERVICES IN PUBLIC SERVICES

| | | |
|---------------|--|-----------------------------------|
| 08:40 – 09:00 | ICT Systems in the Public Financial Management | DFISM, MOF |
| 09:00 - 09:20 | Integration of Systems/ Applications in the Judiciary of Tanzania. | DICT The Judiciary of Tanzania |
| 09:20 - 09:40 | Harmonization of systems and applications supporting Local Government Authorities' operationalization (e.g. TAUSI, GoTHOMIS) | DICT, PO-RALG |
| 09:40 - 10:00 | Digitalization of Health Care Service Delivery-Roadmap Towards Reduction of Silos and Fragmented Digital | DICT, Ministry of Health |
| 10:00 – 10:20 | Implementation of Workplace Information Management System (WIMS) | HICT, OSHA |
| 10:20 - 11:00 | PANEL DISCUSSION | |

Panellists

DFISM, MOF
DICTS, Judiciary
DICT, PO-RALG
DICT, MOH
Director of Case Management,
NPS
HICT, OSHA

Moderator
Mr. Cosmas Ngangaji,
PO-PSMGG

PARALLEL SESSIONS

Session Three: EXECUTIVES' ROUND TABLE

| | | |
|---------------|---|----------|
| 11:00 - 13:00 | Public Institutions Accounting Officers' Round Table Discussion | DG, e-GA |
|---------------|---|----------|

Session Four: ICT INFRASTRUCTURE READINESS

| | | |
|---------------|--|-------------|
| 11:00 - 11:20 | Management of Datacentre infrastructure for the purpose of e-Government sustainability, reliability. | MD, NIDC |
| 11:20 - 11:40 | Status on the Implementation of e-Government Infrastructure- GoVNET | DIO, e-GA |
| 11:40 - 12:00 | Enhancement of Telecommunication services in Rural and Urban under-served areas | DICT, UCSAF |
| 12:00 - 12:20 | The Use of ICT in Community Based Water Organization (CBWSO)-MAJIIS | HICT, MoW |

Day 2: Cont...

| TIME | EVENT | RESPONSIBLE |

Wimbo wa Taifa

1. Mungu Ibariki Afrika,
Wabariki Viongozi Wake,

Hekima, Umoja na Amani
Hizi ni Ngao Zetu,

Afrika na Watu Wake.
Ibariki, Afrika,

Ibariki, Afrika,
Tubariki, Watoto wa Afrika,

2. Mungu Ibariki Tanzania,
Dumisha Uhuru na Umoja,

Wake kwa Waume na Watoto,

Mungu, Ibariki,
Tanzania na Watu Wake

Ibariki, Tanzania,

Ibariki, Tanzania,

Tubariki, Watoto wa Tanzania

Wimbo wa Jumuiya ya Afrika Mashariki

Ee Mungu twaomba uilinde
Jumuiya Afrika Mashariki
Tuwezeshe kuishi kwa amani
Tutimize na malengo yetu.

Kiitikio:

Jumuiya Yetu sote tuilinde
Tuwajibike tuimarike
Umoja wetu ni nguzo yetu
Idumu Jumuiya yetu.

Uzalendo pia mshikamano
Viwe msingi wa Umoja wetu
Na tulinde Uhuru na Amani
Mila zetu na desturi zetu.

Kiitikio:

Jumuiya Yetu sote tuilinde
Tuwajibike tuimarike
Umoja wetu ni nguzo yetu
Idumu Jumuiya yetu.

Viwandani na hata mashambani
Tufanye kazi sote kwa makini
Tujitoe kwa hali na mali
Tuijenge Jumuiya bora.

Kiitikio:

Jumuiya Yetu sote tuilinde
Tuwajibike tuimarike
Umoja wetu ni nguzo yetu
Idumu Jumuiya yetu.
